

**SUNSCREEN STAINS  
JUST DON'T RUB AWAY!**

## **MULAN SOLAR**

Unique degreaser for  
easy removal of sunscreen stains

IMPROVED WHITENESS

EXTENDED LINEN LIFE

COST-EFFECTIVE THANKS TO REDUCED REWASH

PASSIONATE ABOUT LAUNDRY

**CHRISTEYNS**  
LAUNDRY TECHNOLOGY

## Unique formulation

### DEGREASER

#### MULAN SOLAR

- Highly concentrated degreaser
- The special blend of surfactants provides outstanding detergency properties
- Removes UV-filter from fabric

### COMPLEXING BOOSTER

#### SMART COMPLEX

- Complex blend of sequestering and anti-greying agents

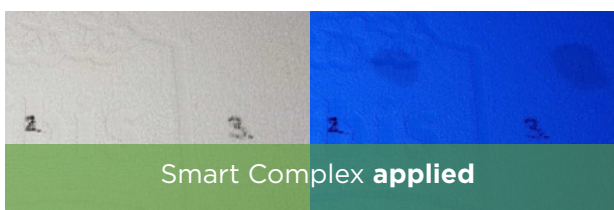

## Problem solver

### Mulan Solar

- Removes the UV-filter from the fabric
- Enables the optical brighteners to perform effectively during washing
- Ensures improved whiteness

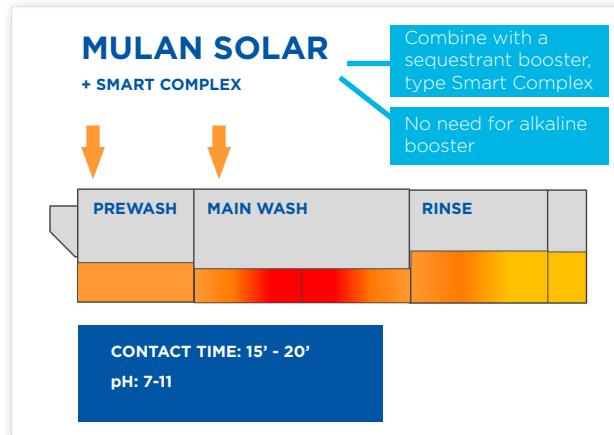

### Smart Complex

- Avoids interaction between metals & sunscreen ingredients
- Prevents staining

## Wash process

- Mulan Solar is integrated in the washing process (no prespotting)
- The product is used in combination with a sequestrant booster, type Smart Complex
- Mulan Solar can be used both in washer extractors and in tunnel washers

## Packaging & use

### Packaging :

- Canister 20 kg (Mulan Solar)
- Canister 25 kg (Smart Complex)
- Drum 200 kg (Mulan Solar)
- Drum 250 kg (Smart Complex)

### Temperature :

- Storage >0°C,
- Dosage > 5°C

### Dosage :

- Mulan Solar : 10-20 g/kg, in combination with
- Smart Complex : 1-5 g/kg

## Benefits

- Removes the sunscreen stains easily thanks to the unique blend of surfactants
- Enhances the whiteness of the textile as the UV-filter is removed
- Prevents staining and limits fabric damage as the metal ions are eliminated
- Delivers cost-effective results as rewash is reduced
