Laboratoire phagogène®

Laboratoire Phagogène, specialist in medical hygiene and disinfection in France since more than 100 years, was acquired by Christeyns in 2012 and integrated in the Business Unit Christeyns Life Sciences.
Phagogène is now the brand of Christeyns' high quality cleaning & disinfection portfolio for the health care sector.
The range of disinfection products is tested according to bactericidal, fungicidal, mycobactericidal, virucidal and/or sporicidal EN-standards.
